Glass Door have confirmed that they had 700 individuals (including 125 women) staying at a shelter for at least one night this winter (average stay was 28 days). In total, they provided 19,281 sleeping spaces, up 22% from last winter. They sent a big thank you to all partners and volunteers who made this possible. We are proud to be part of this important work and thankful for all who came together to make it possible.

Emergency Food Box at St Mary Magdalene—for those in urgent need of food we have a box at the back of church. If you would like to donate food, please feel free to do so. Items should be non-perishable and easily consumed without the need for a tin opener or cooking equipment. Thank you.
