Parish Centre Plans—What is happening?

The Parish Rooms on Church Walk are an amazing RTM-wide Parish Resource, used by many community groups and St Mary Magdalene Junior Church. Currently it also houses La Buvette, a French restaurant. As the lease (non-renewable) to the restaurant comes to an end, we have the opportunity to...

1. create more *accessible* space for community and church groups
2. create space for the RTM *Parish Office* as they prepare to vacate the Vicarage, which the Diocese intends to sell (a new vicarage will be acquired)
3. *improve* the building considerably as it is tired and in need of updating for all users.

Looking forward

Four firms of architects have been approached to give their initial ideas about what might be possible to bring this iconic building into 21st century. Have a look at their plans and share your views with us by filling in a feedback form.
